

UNIVERSE
UNIVERSE UNIVERSE
UNIVERSE

UNIVERSE

The bed that towers over
all others.

The Universe is the perfect combination of technologies and high-level performance that maximizes benefits of each tanning style.

The tanning session reaches new goals of efficacy and rapidity thanks to the 52 lamps surface.

The electronically-controlled ventilation system along with the stereo/CD system will ensure a relaxing, comfortable experience while receiving powerful results. In addition the electric lift top.
